CITY OF ABBOTSFORD

Per a conversation with Poll Worker Jean Lindberg today regarding the 4/5/2011 election, it was stated that as the election workers were verifying the ballot count between Ward 2 – 3 – and 4 they came up with discrepancies between the ballot count and the poll book count. In an effort to correct the discrepancies, it is believed that the Chief Election Inspector and another poll worker re-made ballots in effort to correct the counts between wards.

The Chief Election Inspector is out of the state at this time; but is scheduled to return next week.
